Introduction. In Spain, elementary school and middle school are considered basic (obligatory) education. These are Primaria (6-12 years old), which is the Spanish equivalent of elementary school, and Secundaria (12-16 years old), which would be a mixture of middle school and the first two years of High school in the United States.

Course-specific requirements. All courses have specific entry requirements which are shown in each individual course page. Some courses require prior study of specific subjects and may also have minimum levels of attainment required at GCSE or equivalent, particularly in English Language and/or Mathematics.
