Systems thinking, market failure, and the development of

Write your paper first. Even though an abstract goes at the beginning of the work, it acts as a summary of your entire paper. Rather than introducing your topic, it will be an overview of everything you write about in your paper.

How to Write an Abstract (with Examples) - wikiHow

File sharing on developerWorks lets you exchange information and ideas with your peers without sending large files through email. You can browse public files, files associated with a particular community, and files that have been shared with you. You can upload files of your own and specify who may view those files. You can also pin files to ...
