A nonpartisan fact tank that informs the public about the issues, attitudes and trends shaping America and the world. It conducts public opinion polling, demographic research, media content analysis and other empirical social science research. As a neutral source of data and analysis, Pew Research does not take policy positions.

**Pew Research Center | Nonpartisan, non-advocacy public**

While theory and research on leaders and leadership abound, followers and followership theory have been given short shrift. It is accepted wisdom that there is no leadership without followers, yet followers are very often left out of the leadership research equation.

**Followership theory: A review and research agenda**

MGI's mission is to help leaders in the commercial, public, and social sectors develop a deeper understanding of the evolution of the global economy and to provide a fact base that contributes to decision making on critical management and policy issues.
