

chartered market technician study pdf

Whether you thought of enrolling in the Chartered Market Technician program or saw your associate's name card with the acronym "CMT", you must have wondered about the value of the Chartered Market Technician designation.

What Is The Value of The Chartered Market Technician (CMT)

A Chartered professional is a person who has gained a specific level of skill or competence in a particular field of work, which has been recognised by the award of a formal credential by a relevant professional organization. Chartered status is considered a mark of professional competency, and is awarded mainly by chartered professional bodies ...
