This book presents an incisive analysis of social formations in present-day Tamil Nadu and Kerala from pre-historic times to early medieval period. It examines the transformation from agro-pastoral to agrarian social formation by exploring areas like economy, technology, and historical processes of state formation. The volume specially focuses ...

### **Social formations of early South India (Book, 2010)**

For Althusser, a social formation is a complex of concrete economic, political, and ideological relations, bound together and given their particular character as capitalist, feudal, or whatever by the fact that the

economic relations are, in his words, "determinant in the last instance". Many of those who continue to use the term now reject this residual reductionism.

### **Social formation - Oxford Reference**

SOCIAL DEVELOPMENT 2 closer to defining social competence rather than social intelligence. A definition of intelligence should focus on the ability to learn to do something rather than being competent at it.
