

essential contract drafting skills pdf

I attended the Essential Contract Drafting Skill workshop held by Devant in Reading this month and found both the workshop and this book very useful. In my opinion, the book is just a straightforward, practical guide, not a full-fledged contract management book. It has simple, succinct, practical examples of case law, common commercial issues, practical exercises etc, that are a useful aide to understanding commercial management. Also, I feel this book is better understood, in the context of ...
