

**gartner exp cio toolkit pdf**

Gartner is the world's leading research and advisory company. We equip business leaders with indispensable insights, advice and tools to achieve their mission-critical priorities today and build the successful organizations of tomorrow.

**Gartner**

This is the second installment of the blog series on TokuDB and PerconaFT data files. You can find my previous post here. In this post we will discuss some common file maintenance operations and how to safely execute these operations.
