Software Incompatibility. Sometimes, you need third-party software to convert your file to PDF. For instance, Microsoft Word doesn't include native PDF conversion.

Why Does a PDF File Come Out Blurry When I Make It

This one falls into the "surprisingly complex to answer" category. Personally I hate having PDFs open within the browser. I find that the PDF reading application, like Foxit, Acrobat or others, generally provide me much more control over how the document is presented in turn making it much easier for me to read.
