

language in use upper pdf

Language is a system that consists of the development, acquisition, maintenance and use of complex systems of communication, particularly the human ability to do so; and a language is any specific example of such a system.

Language - Wikipedia

Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and

Council of Europe Language Policy Portal - coe.int

English is a West Germanic language that was first spoken in early medieval England and eventually became a global lingua franca. Named after the Angles, one of the Germanic tribes that migrated to the area of Great Britain that would later take their name, England, both names ultimately deriving from the Anglia peninsula in the Baltic Sea.

The European Language Portfolio (ELP) was developed by the Language Policy Programme of the Council of Europe. to support the development of learner autonomy, plurilingualism and intercultural awareness and competence;

European Language Portfolio (ELP) - Homepage

The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials!
