language maintenance and language pdf
Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field.

Language education - Wikipedia
Language is a system that consists of the development, acquisition, maintenance and use of complex systems of communication, particularly the human ability to do so; and a language is any specific example of such a system.

Portal:Language - Wikipedia
2 1.to promote full participation in society and the economy through equitable and meaningful access to education; 2.to pursue the language policy most supportive of general conceptual growth amongst learners, and hence
