GENDER DIFFERENCES IN LEADERSHIP STYLES AND THE IMPACT WITHIN CORPORATE BOARDS PS12117 "There is a big difference between diversity and inclusiveness. Diversity is about counting the numbers. Inclusiveness is about making the numbers count. Whether it is about individuals or companies or countries, the conversation has to shift from talking about whether diversity affects performance to ...

Gender Differences in Leadership Styles and the Impact

In other words, effective leadership is not the exclusive domain of either gender and both can learn from the other. Question two: No, women's styles are not at all likely to be less effective; in fact, they are more effective within the context of team-based, consensually driven organizational structures that are more prevalent in today's world. Question three: The assessment that a ...
