LISTER MANUAL FOR SR1 - 46.101.239.45

For my sins or otherwise (my birthday, actually) I have acquired an SR1 engine. In present condition it starts fairly well if you tip a cap full of fuel (say 5-10ml) into the intake give it a good swing, and drop the decompressor, hot or cold.

Lister SR1 - Only starts with assistance, what's up with

Lister Engine Factory Data Sheets These are scans of original factory technical data sheets, giving all the relevant details of each engine, including power curves, weights and dimensions, options on cooling etc., plus a brief technical description of the main engine components.
