In science education, a word problem is a mathematical exercise where significant background information on the problem is presented as text rather than in mathematical notation. As word problems often involve a narrative of some sort, they are occasionally also referred to as story problems and may vary in the amount of language used.

Recently, I had to take a few pages out of a PDF document and put them into a Word document that I needed to send to a client. In the process of doing so, I figured out a few ways that you can go about inserting a PDF document into a Word document and that's what I'm going to explain here!

How to Insert a PDF File into a Word Document

Yes, Netanyahu *did* with his repeated strikes on Syria, thumb his nose at Putin (that famous Israeli chutzpah at work for you!), and yes, Putin wining and dining Netanyahu was a painful sight and a PR-disaster.
