Aggression is the most common and most serious behavior problem in dogs. Different forms of aggression require different treatments.

Common Dog Behavior Issues | ASPCA

A parasite is an organism that lives on or in a host and gets its food from or at the expense of its host. Parasites can cause disease in humans. Some parasitic diseases are easily treated and some are not. The burden of these diseases often rests on communities in the tropics and subtropics, but parasitic infections also affect people in ...
