

public relations practices managerial pdf

Public relations (PR) is the practice of managing the spread of information between an individual or an organization (such as a business, government agency, or a nonprofit organization) and the public. Public relations may include an organization or individual gaining exposure to their audiences using topics of public interest and news items ...

Public relations - Wikipedia

Chapter rationale This chapter is intended to demonstrate the value of public relations research to organizations, provide an overview of current research methods, and identify best research practices.
