

quit india movement in pdf

The Indian independence movement was a series of activities whose ultimate aim was to end the British Raj and encompassed activities and ideas aiming to end the East India Company rule (1757–1857) and the British Raj (1857–1947) in the Indian subcontinent.

Indian independence movement - Wikipedia

The men's rights movement in India is composed of various men's rights organisations in India. Proponents of the movement support the introduction of gender-neutral legislation and repeal of laws that they consider are biased against men. The movement notes several issues as too genderized or with a bias against men in India.
