Medicine + Health is the George Washington University School of Medicine and Health Science's™s flagship publication that showcases the research and clinical expertise of the SMHS faculty,

George Washington University - Health Sciences

The meaning of spirituality has developed and expanded over time, and various connotations can be found alongside each other. Traditionally, spirituality referred to a religious process of re-formation which "aims to recover the original shape of man", oriented at "the image of God" as exemplified by the founders and sacred texts of the ...
