The Constitution of India (IAST: Bhāratāya Sā́vīdhanā) is the supreme law of India. The document lays down the framework demarcating fundamental political code, structure, procedures, powers, and duties of government institutions and sets out fundamental rights, directive principles, and the duties of citizens.

### **Constitution of India - Wikipedia**

Political structure is a term commonly used in political science. In a general sense, it refers to institutions or groups and their relations to each other, their patterns of interaction within political systems and to political regulations, laws and the norms present in political systems in such a way that they constitute the political ...
