

the birth of clinic pdf

Winter Weather Preparedness. The best time to prepare for severe winter weather is now. In order to reduce the risk of weather-related health problems and injuries, take this time to prepare before a winter emergency hits.

Virginia Department of Health

Birth control, also known as contraception and fertility control, is a method or device used to prevent pregnancy. Birth control has been used since ancient times, but effective and safe methods of birth control only became available in the 20th century. Planning, making available, and using birth control is called family planning.

Birth control - Wikipedia

If you take the birth control pill (oral contraceptive), you're probably happy with its convenience and reliability. Still, you may have questions about how birth control pills could affect your health, the benefits and risks of birth control pills, and newer options available. Yes, you can. Birth

Birth control pill FAQ: Benefits, risks and choices - Mayo
