Picture and Symbol Systems. Symbols, at Communication Matters, UK. Information about Symbol sets and Choosing a symbol set for AAC communication, along with links to Symbol sets, Symbol layouts, Considerations for symbol systems, Low-tech use of symbols, and Choosing the vocabulary.

Picture and Symbol Systems - Everyone Communicates

The diagnosis of autism, although a source of discussion and occasional controversy, has consistently included poor communication as an essential component.

The Effect of Picture Communication Symbols on the Verbal

Pictures and picture symbols can be used for a variety of reasons/activities. You can use them as part of a communication system, for scheduling purposes, for social stories, and to support literature (to name just a few). I like to use a combination of real photos and picture symbols. Some children will need the concrete nature of the photographs, and others will pick up the abstract drawings ...
